

## Meet the Teacher

Hi! My name is Mrs. Teresa Rogers and I will be your child's G.T. teacher for the 2019-20 school year. This will be my third year teaching for the Marked Tree School District and I love being a part of this district. I hope to make this year one of the best years ever & I can't wait to meet new faces and spend more time with "my kids" and friends!

My family and I live in Jonesboro. My husband owns Rogers Custom Millwork and specializes in custom woodwork, such as cabinetry, staircases, mantles, etc. We are blessed with two children; our daughter works in the field of interventional radiology, while our son works as a mechanical engineer. We are extremely proud of them and blessed to be their parents.

When people describe me, they say that I am a hardworker, perfectionist, and compassionate. It is my goal to make a difference for my students, contribute to their success, and allow them to discover the love for learning. I expect everyone to contribute to the learning environment and understand the importance of achievement, using time wisely and to demonstrate gifts and talents with confidence.

Together, we will have a terrific year and I am so glad to have this opportunity to be with you. Please feel free to contact me if you ever need anything or have any questions. Thank you in advance for your support of our school and the gifted & talented program.

## Emoji that Best Describes Me

The emoji that would best describe me is the one with heart shaped eyes. I look for the best in people and truly LOVE working with young minds and expanding their talents! It brings me great joy to develop talents and broaden skills! I enjoy sharing the love for life and I hope you will discover the same joy!

## Educational Background

I attended A.S.U. in Jonesboro where I obtained both my B.S.E. and M.S.E. degrees. I am the proud recipient of the "Outstanding Gifted, Talented, and Creative Educator" Award from A-State. I love teaching, but love learning even more! I can't wait to explore new things together!
